

DBMS Practical Course - PostgreSQL

On-site session 31.10.2023

- Access Tool (Note: still in development): <http://162.55.237.41:8765/>
- If the tool is not working properly, use pgAdmin: <http://162.55.237.41:8080/>
- Login with your given username and password.
- Make sure to save your queries in a text file as a backup.

Tasks for today's session:

- 1) For each department, find how many persons have sent more than 100 emails.
- 2) How many persons have sent one or more emails to more than three department?
- 3) Same of Task 3, but don't count the person's department.
